

MVUUF Concert COVID Policy

In an effort to promote community, support musicians and offer a COVID-safe environment, MVUUF has adopted the following plan for upcoming shows. It is our hope that this policy allows you to feel comfortable venturing out in support of local musicians, and that you can sit back, relax, and enjoy an evening of music and friendship.

1. It is a requirement that all patrons show proof of full vaccination to gain entry to concert events
2. Entry and exits will allow for safe distancing. Ushers will be on hand to help with spacing and seating.
3. Masks are required upon entering, during the concert and moving throughout the venue. Masks may be removed when eating or drinking in designated pod.
4. Comfortable, safely-distanced seating pods will be available during the opening reception (1 hour before the event) and during intermission to enjoy refreshments. Ushers will help guests find their assigned tables.
5. All refreshments will be pre-packaged and/or pre-poured.
6. Ushers will assist in safe exiting.
7. All MVUUF staff and volunteers will be vaccinated and will uphold the COVID safety policy.
8. MVUUF has air purifiers throughout and the HVAC in the sanctuary has been updated.
9. Hand sanitizer and masks will be available throughout the premises.
10. MVUUF supports and endorses CDC and MDH guidelines as relates to capacity, safe-distancing, hand-washing, sanitation, masking, etc.
